

Ambition Indoor Camps 2026 (Neuss)

24th – 29th August 2026 | 20th – 25th September 2026

Introduction & Outline

The Ambition Neuss Indoor Camps are Open Summer Camps that form part of a comprehensive summer program at Ambition that includes the New Zealand Camp, Zermatt Camp and Neuss Camps, spanning the UK school summer holidays period and beyond.

2x Ambition Indoor Camps are included in our summer 2026 schedule, in order to add additional training volume for those athletes not partaking in the Ambition New Zealand or Ambition Zermatt Camps. Combined with the Zermatt Glacier Camp in late June / July, athletes can maintain European-based training throughout the summer months, whilst still accessing the right volume of on-snow training.

Travel & Transport

We will travel to our chosen venue from Manchester, following Snowcentre MCR sessions on 23rd August. Athletes can travel with the team directly from Manchester on the morning following any MCR sessions, or can be collected along the way at either Cobham or Maidstone services. Times for collections (and drop offs on the way home) will be communicated in the lead up to the camp and then again prior to our return journey.

Any team kit for the Ambition Neuss Camps can be brought back to the UK following the Zermatt Glacier Camp in early July where required.

Location & Accommodation

During the Neuss camps, the Ambition team resides onsite at the slope venue, in fully catered accommodation.

Training & Racing

During Ambition Neuss Camps, the team trains for 2x 2 hour sessions per day as a minimum with a single session provided on the final morning (travel day). We mix gate training (stubbies for U12/10) with free skiing, drill courses, timing and challenges.

Staffing and Personnel

The Ambition Neuss Camps will have a minimum of 2x staff present for the duration of the camp with a nominated member of staff acting in a pastoral sense / CWO capacity.
